MINISTRY CONFERENCE

SEMINAR DESCRIPTIONS

THE FUEL OF RESILIENCY - ROB DOUGLAS, FELLOWSHIP CENTER

YOUTH MINISTRY TRACK: There are many ways to develop resiliency in local church ministry, and many opportunities to pull up your boot straps and just get through the tough times. However, there's a better way. The Holy Spirit is the fuel that propels us to deeper intimacy in Christ, and He gives us the power to be truly resilient in ministry.

SOMETHING BETTER - MATTY BLEVINS, CHAPEL

YOUTH MINISTRY TRACK: Finding ministry strength through delighting in Lord.

CHILDREN'S DISCIPLESHIP PLAN - LEAH BROACH, ROOM E7

KID'S MINISTRY TRACK: We will learn how Alliance Kids collaborates with local churches to offer every child an opportunity to understand and grow in the Gospel, regardless of the size or context of the church.

CREATING A CULTURE OF INVITATION - CHARLES AMOH, ROOM E1

STUDENT LEADER TRACK: High school students attend youth activities, participate in church services, but have few invitations to lead the church. The Holy Spirit is actively inviting students to serve and lead the church today. This seminar will encourage student leaders and inspire them to create a culture of invitation and focus on the CORE of discipling in student ministry.

MINISTRY CONFERENCE

SEMINAR DESCRIPTIONS

PANEL DISCUSSION: DOING MINISTRY ACROSS CULTURES

FOR ANYONE: Partnering with churches across cultures is incredibly rewarding! It creates opportunities to engage with the mission, and achieve greater levels of unity in the body of Christ. Come hear from the NEXT Conference Planning Team about how to partner well across cultures.

REDEMPTIVE SUFFERING - MATTY BLEVINS, CHAPEL

YOUTH MINISTRY TRACK: Depression, Anxiety and the Ministers of God

FINDING THEM, KEEPING THEM - LEAH BROACH, ROOM E7

KID'S MINISTRY TRACK: Growing a ministry to children requires intentional outreach, relationships, and a discipleship strategy. Together, we will explore ways to grow and deepen your ministry to children and families.

FINDING YOUR CALLING - JOSHUA HERR, ROOM E1

STUDENT LEADER TRACK: Take a look into God's calling towards Himself and His direction in your life by clarifying the understanding of "Calling" within the context of scripture. Josh will break down moments of his life story and experiences to reveal God's formation of his calling into ministry while inviting you to reflect, listen, and illuminate how God may be calling you.
